

## OFFICE OF THE STATE CHIEF INFORMATION OFFICER

Teri Takai  
California Chief Information Officer

June 29, 2009

Dear Public Safety Officer,

The Office of the State Chief Information Officer, with assistance from its consultant, Gartner, Inc., is developing a 10 year California Public Safety Communications (CAPSCOM) Strategic Plan for the state agencies listed below. The CAPSCOM Strategic Plan will review each agency's public safety communications systems with regard to how those systems meet the current and future operational needs of the agency and offer recommendations for future enhancements.

- California Highway Patrol (CHP)
- Department of Forestry and Fire Protection (CAL FIRE)
- California Department of Transportation (Caltrans)
- Department of Corrections and Rehabilitation (CDCR)
- Department of Justice (DOJ)
- Department of Parks and Recreation (DPR)
- Department of Fish and Game (DFG)
- Department of Water Resources (DWR)
- California Emergency Management Agency (Cal EMA)
- Emergency Medical Services Authority (EMSA)
- Department of Public Health (CDPH)
- Office of the State Chief Information Officer (OCIO)
- California National Guard

The success of the CAPSCOM Strategic Planning effort is contingent upon the active support and participation of each of the state's public safety agencies. To aid in launching the CAPSCOM Strategic Plan, the OCIO *is hosting an executive level meeting on July 13th, 2009.*

The meeting will be held at 630 Sequoia Pacific Boulevard, Sacramento, CA from 9:00 a.m. to 11:00 a.m.

The Office of the State Chief Information Officer and Gartner, Inc., cordially invite executive managers from each of the affected agencies and interested members of the public to attend this meeting.

Sincerely,

Teri Takai  
State Chief Information Officer
